

Settlements For Life, Life Settlement Broker & Industry Leader, Releases Mid 2008 Growth Report

Despite Recession, Company Expects Record Growth and Increase In Staff.

Memphis, TN (PRWeb via [PRWeb](#)) July 2, 2008 -- [Settlements For Life](#), one of the nation's most experienced and fastest growing [Life Settlement](#) companies, today announced its mid-year financial results. Since the start of 2008, [SFL](#) has brokered the sale of a record number of life insurance policies and expects quadruple growth by the end of the year.

"SFL's steady growth is a result of our experience, trust, integrity and performance. Our clients, consisting of individuals, life insurance producers, broker dealers, financial advisors and other professionals, send us business because they know we deliver results," says Daniel Katz, President of Settlements For Life. "We are proud of our growth and will strive to continue our expansion to accommodate more clients in search of our services," adds Mr. Katz.

As part of the Company's continuing growth, Settlements For Life has increased its staff in the following positions: sales and executive support. Additional hires including case management, compliance, licensing and client education are also expected. "We employ the most experienced, dedicated, and hardest working employees in our industry," comments Mr. Katz. "Adding to our roster of employees will contribute to the company's efficiency and will help address client needs and support."
